1. Product

PRE-COATED CHIPPINGS

UKCA 0120 CE 1029

2. Description

Pre coated chippings are intended for use in hot rolled asphalt surfaces. We have a range of sizes available including 20mm, 14mm, 10mm and 6mm nominal aggregate size and in a range of colours* (*subject to minimum order quantities).
20mm 60+ and 68+ PSV black are available by special order on request.

The purchaser is responsible for verifying, before installation, that the pre-coated chippings are compatible with the asphalt material being applied to. Any liabilities arising after installation are the sole responsibility of the purchaser.
